To whomsoever it may concern,

Assalaamu Alaykum Wa rahmatullahi Wa barakatuhu,

Jazakallah khair for the demonstration on how the Islamic iprayer mat product works. This sleek modern design coupled with beautiful recitation by some of the best Quraa gives this product the edge it deserves.

The Islamic iprayer mat is a truly innovative product. I believe that it will prove to be an invaluable and very useful learning tool for both Muslim children and for convert Muslims who have recently embraced Islam. Furthermore I would say that it will also prove to be a useful aid for born Muslims who missed learning how to pray at a young age.

I would like to endorse this product wholeheartedly and look forward to seeing the Islamic iprayer mat available on the global market as soon as possible.

Kind regards
