Dear Mr. Aslam

Assalamo Alaikoum wa rahmatullah

Re : The New Innovative Salah (Prayer) Learning device/Teaching tool- The Islamic I Prayer

Thank you for taking the time out to come and meet me and show me your wonderful new product.

I must congratulate you and your team for creating such an innovative prayer device. I am sure that this will be a must in every Muslim home.

Your handy device will not only benefit Muslims in perfecting the pronunciation of their prayers in Arabic but at the same time it will increase the quality of their prayer itself. I am more than convinced that once they have mastered the pronunciation, their confidence in Arabic will improve and shall inspire them to learn more chapters of the Quran, which can be used in their daily prayers. Undoubtedly this device will also be an excellent learning tool for people who have may know of Salah but have no knowledge as to its practice.

To know that you and your team have produced this device and have decided to sell this at cost price, whilst at the same time the profits being dedicated to *dawah* projects, is admirable.

You are aware that this effort by yourself and your team will be the best form of *Sadqai Jaariya* for you in that who-ever benefits from this device, you will be rewarded with perpetual virtue which will benefit you in this world and the hereafter.

I feel privileged in endorsing such a product. I make dua that May Allah (SWT) gives you success in this venture. Keep up the good work.

Yours Sincerely

Noor
